

No more waiting for your pickup

Description

Mobile app for KLOUDIP SHUTTLE enables commuters to view pickup schedule, ETA to pickup points and track corporate shuttle's real-time movement on map.

How to use "SHUTTLE" Mobile app

Download app from Android Playstore or Apple App store by searching "KloudIP SHUTTLE"

Once downloaded please open "SHUTTLE" App and tap on "Scan QR CODE" * button.

*QR code for your daily route will be sent by the company administration.

Once you scan the QR code, app will prompt to save your daily route; tap on "Save button" to save.

Once the route is saved you will see route name on App; click on route name to view Pick-up Schedule, ETA, vehicle's real-time movement on map.

You may add one or more QR coded routes as per your requirement.

Video Instructions

Please click on below link for video instructions:

Note:

If you see a dark screen after allowing app to use camera to scan QR code, please exit from app and re-open. Then click on Scan QR code.

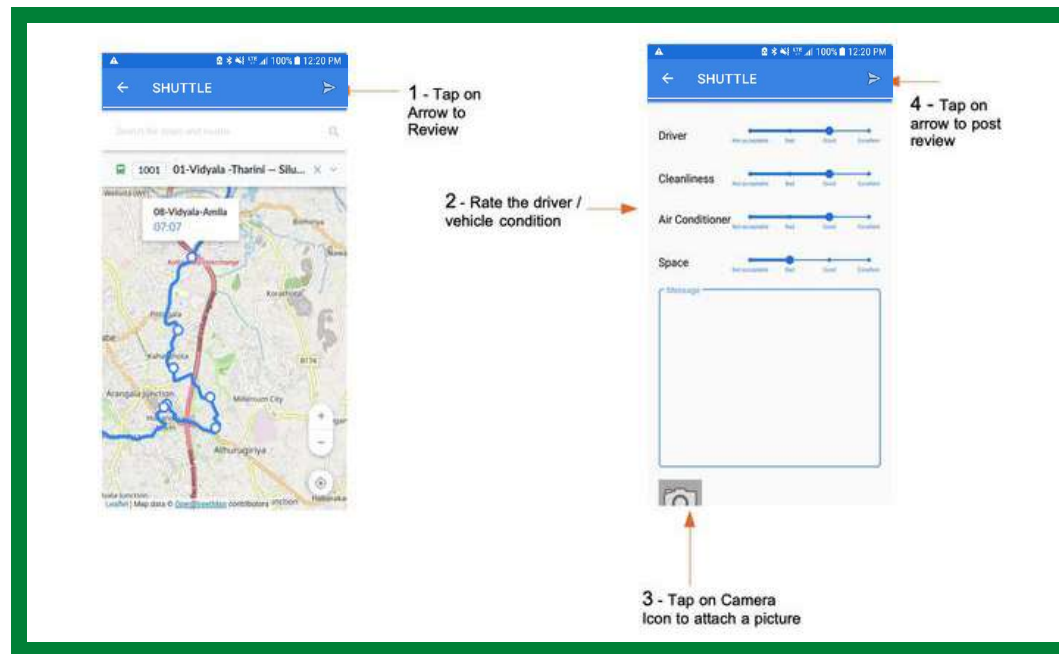

Users can add multiple Routes to app if required

Example: When you have a special route and pick-up/drop schedule during corporate events etc; you can create special routes and schedule on **SHUTTLE App** to share it with users.
